

Friends,

Thomas Worthington High School Theatre Repertory is proud to welcome you to our 2017-18 season! We would first like to thank you for your continued patronage in supporting the performing arts at Thomas Worthington High School. As always our season is diverse and expansive in subject matter! This season we will take a deep look at those life lessons we learn early on but often soon forget, we will take a look at what really happens during the rehearsal process of every show, we will follow a couple of New York City con-men who are searching for a spot to have the ultimate game of craps, and finally we journey with a young lady on her unexpected path to Harvard Law... plus a few other gems in between.

Hopefully you have noticed that we have made significant (and safer) improvements to our seating units. Improvements like these are not possible without the help from our wonderful patrons! We have many more improvements that need to be made so we welcome your support and are currently accepting contributions! You can support the 2017-18 Repertory Season as a "Patron" for \$50.00, a "Benefactor" for \$75.00, or a "Philanthropist" with a gift of \$100.00. The names of the contributors will appear in each program of the season! Please return your contribution form as soon as possible to ensure your name will be included in our programs. Remember, your generous contributions are the lifeblood of our program! Any and every donation is wholeheartedly appreciated!

We are still a time of change and transition in the Cardinal Theatre, and we are certainly on a path of continued success! With your patronage we can ensure that we will have another wonderful season with many more beyond that.

Thank you for supporting the Theatre Repertory program at Thomas Worthington.
